

SWACHHA BHARTA ABHIYAN BY OCL- An initiative to make the villages Cleaner and Greener

Dalmia Bharat Foundation in its endeavour to make the Clean India Mission a successful drive, has been putting its concerted efforts in its entire CSR locations with greater and vigorous involvement of local community over the years. The concerted efforts laid by the team has led to achieve following achievement in this direction so far.

Swachha Bharta Mission by Group CEO,OCL

Mr.Mahendra Singhi, Group CEO, Dalmia Bharat Group along with other officials of OCL cleaned Subas Chhak one of the dirty skirts of Rajgangpur town on 3rd December-16 with a passion and dedication to make Rajgangpur a clean city. Officials of Rajgangpur Municipality had joined in this mission.

Construction of Bio Degradable toilets in schools

12 units of Bio-Degradable toilets constructed in schools in Rajgangpur and Lanjiberna area has enabled around 6000 students to use toilet regularly during school period. Similarly 11 toilet blocks constructed in 11 schools in Cuttack area has enabled around 2800 students to use Toilet in the school. This initiative has also increased awareness level of students' sanitation aspect and enrolment and retention of students in the school has increased significantly.

Open Defecation Free Village

Under Swachha Bharat Abhiyan, 300 individual Toilets have been constructed in BCW area and construction of 37 Toilets in Lanjiberna mines areas is on progress to make one village Open defecation free . This apart awareness meeting on benefits of using toilets are being conducted in these villages on regular intervals.

Village cleaning drive

Cleaning of village road, drain etc. has been carried out across the locations under this initiative with active participation of local community, PRI Representatives and local Health personnel to make the area cleaner and greener. So far 35 villages having around 42000 populations have been covered and efforts are on to cover more and more villages in all CSR locations in the days to come.
